A hearing was held on February 19, 2015, at the offices of the New York State Department of Health ("the Petitioner"). A Commissioner's Order and Notice of Referral Proceeding, dated December 17, 2014, and a Statement of Charges, dated December 18, 2014, were served upon the Respondent, **Eric Senat, M.D.**

Pursuant to Section 230(10)(e) of the Public Health Law, **Trevor A. Litchmore, M.D., Chair, Joseph S. Baler, M.D. and David R. Irvine, DHSc., R.P.A.**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **David A. Lenihan, Esq.**, Administrative Law Judge, served as the Administrative Officer. The Petitioner appeared by **James E. Dering, Esq.**, General Counsel, by **Paul Tsui, Esq.**, of Counsel. The Respondent, **Eric Senat, M.D.**, did not appear, although duly served. Evidence was received and transcripts of these proceedings were made. After consideration of the entire record, the Hearing Committee issues this Determination and Order.

## **STATEMENT OF CASE**

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law §6530(9) (a)(ii) by having been convicted of committing an act constituting a crime under federal law, Health Care Fraud, in violation of Title 18 U.S.C. § 1347 and § 2.

Copies of the Commissioner's Order, Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

## **WITNESSES**

For the Petitioner:	None
For the Respondent:	None

## **FINDINGS OF FACT**

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex."

These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous.

1. Eric Senat, M.D., the Respondent, did not appear at the hearing although duly and personally served with process. (Petitioner's Ex. 2 and transcript of pre-hearing conference, p. 3)
2. Eric Senat, M.D., the Respondent, was authorized to practice medicine in New York State on November 23, 1987, by the issuance of license number 173063 by the New York State Education Department. (Petitioner's Ex. 3)
3. On or about August 6, 2014, in the United States District Court for the Southern District of New York, Respondent was found guilty, based on a plea of guilty, of Health Care Fraud, a felony. (Petitioner's Ex. 5)
4. On or about August 6, 2014, Respondent was sentenced, *inter alia*, to a term of 15 months imprisonment, to be followed by 2 years supervised probation, payment of \$324,726.05 of restitution, a \$10,000.00 fine and a special assessment of \$100.00. (Petitioner's Ex. 5)

## **VOTE OF THE HEARING COMMITTEE**

### **SPECIFICATION**

"Respondent violated New York Education Law Section 6530(9)(a)(ii) by being convicted of committing an act constituting a crime under federal law, to wit, the felony of Health Care Fraud, in violation of Title 18 of the United States Code, Sections 1347 and 2..."

VOTE: Sustained (3-0)

### **HEARING COMMITTEE DETERMINATION**

The Respondent did not appear at the hearing, either in person or by counsel. The Administrative Officer, after considering the documentary evidence, which included a letter from the Respondent's attorney requesting an adjournment and the admission of documents for his client (Petitioner's Exhibit 2), ruled that the Petitioner had met the requirements of law for due diligence in the service of process, that jurisdiction had been established over the Respondent, and that the hearing could proceed on the merits notwithstanding the Respondent's absence. It is noted that the Respondent was aware of this proceeding and had his attorney contact the Administrative Law Judge to advise that he would not be present but wished to have documents submitted on his behalf instead. It is further noted that the Respondent's attorney did acknowledge jurisdiction in a phone conference with the Administrative Law Judge and the Department's attorney, Mr. Tsui.

The record herein shows that the Respondent was found guilty of Health Care Fraud, a felony and was sentenced, *inter alia*, to a term of 15 months imprisonment, to be followed by 2 years supervised probation, payment of \$324,726.05 in restitution, a \$10,000.00 fine and a special assessment of \$100.00.

The Administrative Law Judge noted for the record (T. 15) that he had a telephone conference with the Respondent's attorney who indicated that his client would not be present but wished to have documents submitted on his behalf. These documents, Respondent's Exhibit A, were received into evidence without objection from the Department.

The panel read the sentencing minutes and noted the impassioned plea of the Respondent to be spared a jail sentence. (Exhibit 5 at page 24) The federal judge did not accept this plea and sentenced the Respondent to 15 months of imprisonment. Similarly, the panel noted the 35 letters of support submitted by the Respondent's attorney (See Exhibit A) but found that these laudatory letters did not exonerate the Respondent from his crime. The record shows that this Doctor fraudulently billed Medicaid for many years and, while he may have provided free services to many patients, there is no excuse for outright thievery and the panel was not swayed by these letters and pleas.

The Department's attorney, Mr. Tsui, stated that, given the nature of the felony conviction, there is no other appropriate outcome in New York State but to revoke the Respondent's New York license. The panel, unanimously, agreed with the Department on this recommendation.

As to the penalty, therefore, the Hearing Committee determined that the people of New York State would be protected by a revocation of the Respondent's license. Accordingly, the panel decided, unanimously, to revoke the Respondent's license under the circumstances of this case.

**ORDER**

**IT IS HEREBY ORDERED THAT:**

1. The license of the Respondent to practice medicine in New York State is **revoked**.
2. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10) (h).
